4. What this means for your preparation

HONEST STATUS

Finished: about two-fifths of the History syllabus – Vol 1 (ancient, to Harsha) and Vol 2 (medieval India) – each with a 50-question hard-pattern test (Mock Tests 1 and 2).
Still to come: Volumes 3, 4 and 5 (each with a Telugu edition and a 50-question test). Andhra (Vol 4) and Modern (Vol 3) carry the most Prelims weight, so the suggested build order is **Vol 4 → Vol 3 → Vol 5**.
Meanwhile: use Vols 1–2 and Mock Tests 1–2 now; the older Day 1–20 history notes are thin and should be treated only as a quick-reference, not as coverage. Dates and exact lists in Vol 1 should be checked against your standard textbook.
