APPSC GEOGRAPHY — SYLLABUS COVERAGE MAP

Built from Notification 07/2026 · Prelims Paper I Part D (30 of 120 questions) · Mains Paper II Section C items 11–15 · Mains Paper III environment items · How each topic was covered and where to read it

1. The study set (what you have)

Material	Content	Language · Test
Volume 1 General and World Geography	Universe, Earth, time, interior, plates, rocks, atmosphere, winds, cyclones, oceans (10 chapters)	EN + TE · Mock Test 1
Volume 2 Physical India and AP	Location, physiography, drainage, monsoon, soils, vegetation and wildlife, hazards (7 chapters)	EN + TE · Mock Test 2
Volume 3 Andhra Pradesh	Regions, districts, water, agriculture, minerals, energy, industry, transport, people (8 chapters)	EN + TE · Mock Test 3
Volume 4 Social, Economic, Environmental	World climate regions, population, agriculture, minerals and energy, industries, transport and trade, ecology, pollution and laws (8 chapters)	EN + TE · Mock Test 4
Volume 5 Andhra Pradesh — complete handbook	Location and districts, geology and relief, rivers and projects, climate and hazards, soils and wildlife, agriculture and fisheries, minerals and power, industry and corridors, transport, ports and tourism, people and tribes, environment; 10 maps, 10 diagrams, 2025–26 data (11 chapters)	EN
Supplements 1 and 2	World lists; India and AP lists for quick revision	EN

2. Prelims Paper I Part D: topic-by-topic coverage

Notification topic	Where covered	Status
General: Earth in Solar System, motions, time, seasons	Vol 1 Ch 1–3	Covered
Internal structure, major landforms	Vol 1 Ch 4–6	Covered
Atmosphere: structure, composition, elements and factors of climate, air masses, fronts, disturbances	Vol 1 Ch 7–9	Covered
Climate change	Vol 1 Ch 9 + Vol 4 Ch 8	Covered
Oceans: physical, chemical, biological, hydrological disasters, resources	Vol 1 Ch 10; Vol 2 Ch 7	Covered
Physical: divisions, earthquakes, landslides, drainage	Vol 2 Ch 1–3, 7; Vol 1 Ch 5	Covered
Climatic regions, monsoon	Vol 2 Ch 4; **Vol 4 Ch 1** (world regions)	Covered
Natural vegetation, parks and sanctuaries, soils	Vol 2 Ch 5–6; Vol 3 Ch 2; Vol 4 Ch 1, 7	Covered
Rocks and minerals	Vol 1 Ch 6; Vol 3 Ch 5; Vol 4 Ch 4	Covered
Social: distribution, density, growth, sex ratio, literacy	Vol 4 Ch 2; Vol 3 Ch 8 (AP)	Covered
SC/ST, rural–urban, tribal, religious, linguistic groups, urbanisation, migration, metropolitan regions	Vol 4 Ch 2; Vol 3 Ch 8	Covered
Occupational structure; racial groups	**Gap-filler in Section 4 below**	Partly
Economic: agriculture	Vol 4 Ch 3; Vol 3 Ch 4 (AP)	Covered
Basic industries (agro, mineral, forest, fuel, manpower)	Vol 4 Ch 4–5; Vol 3 Ch 5–6	Covered
Transport and trade, patterns and issues	Vol 4 Ch 6; Vol 3 Ch 7	Covered
Major sectors, services	Vol 4 Ch 5 (IT, services); Section 4 below	Partly

3. Mains Paper II Section C and Paper III

Item	Where covered	Status
11 Physical features and resources of India and AP	Vol 2 (all), Vol 3 Ch 1–3, 5	Covered
12 Economic geography: agriculture, livestock, forestry, fishery, mining, industries, trade, communication, transport, storage	Vol 4 Ch 3–6; Vol 3 Ch 4–7; Section 4 (storage, fishery)	Partly
13 Social geography	Vol 4 Ch 2; Vol 3 Ch 8	Covered
14 Fauna and floral geography	Vol 2 Ch 6; Vol 4 Ch 7; Vol 3 (sanctuaries)	Covered
15 Environmental geography: sustainable development, globalisation, hazards, disaster management, EIA, pollution	Vol 2 Ch 7; Vol 4 Ch 7–8	Covered
Paper III: resources, conservation, pollution, ozone, acid rain, global warming, Montreal, Kyoto, UNFCCC, CITES, EPA 1986, FCA, WPA, SDGs	Vol 4 Ch 7–8	Covered

4. Gap-fillers: small topics not covered in depth elsewhere

Topic	What to know
Occupational structure (Census 2011)	Workers are grouped as **cultivators** (about 25% of workers), **agricultural labourers** (about 30%), **household industry workers** (about 6%) and **other workers** (about 40%). Agriculture employs about 45% of the workforce but gives only about 15–18% of GDP; services give over half of GDP. In AP agriculture and allied sectors still contribute about a third of GSVA, much more than the national share.
Racial groups	World: **Caucasoid, Mongoloid, Negroid, Australoid**. India (Risley, 1901): **Dravidian, Indo-Aryan, Scytho-Dravidian, Turko-Iranian, Aryo-Dravidian, Mongolo-Dravidian, Mongoloid**; B. S. Guha (1935) proposed six main types. Telugu people mostly belong to the Dravidian stock.
Metropolitan regions	Census 2011 counted **53 million-plus urban agglomerations**. Largest: **Greater Mumbai, Delhi, Kolkata, Chennai, Bengaluru, Hyderabad, Ahmedabad, Pune**. In AP, **Visakhapatnam** is the largest city; **Vijayawada–Guntur** form a growing urban belt around the capital region **Amaravati**.
Livestock, fishery, forestry	India is the **largest milk producer** in the world; breeds: **Ongole** (AP cattle, Prakasam–Guntur), **Murrah** buffalo (Haryana), **Nellore** sheep, Deccani sheep. AP leads in **aquaculture (shrimp and carp)**; coastline about **974 km** (second longest in India after Gujarat). Forest products: timber, bamboo, tendu leaves, lac, gum; **red sanders** (AP).
Storage and marketing	**FCI** (1965) holds buffer stocks; **Central Warehousing Corporation** (1957) and State Warehousing Corporations; **WDRA** regulates warehouse receipts; **e-NAM** is the online mandi; **APMC** markets regulate sale; cold chains for perishables.
Globalisation and sustainable development	Globalisation = freer flow of goods, capital, people and ideas; in India it began with the **1991 reforms**. **Sustainable development** (Brundtland 1987) = meeting present needs without harming future generations; **17 SDGs** to 2030; India's NITI Aayog publishes the **SDG India Index**.

5. How the set tests you

STUDY GUIDANCE

Mock Tests 1–4 (50 questions each, bilingual) follow the 2024 Group 1 Prelims pattern: statement sets with I–IV combinations, match-the-list, assertion–reason, incorrect-statement and application questions, negative marking ⅓. Together they give 200 questions across all four volumes. Suggested order: finish a volume → take its test → revise red and green boxes → after all four volumes, take Tests 1–4 mixed under 100-minute conditions.

Still your job: keep an atlas beside you for locations (rivers, dams, ports, sanctuaries); practise outline maps of India and AP once a week; and refresh any statistic marked 'Census 2011' when the next census data is released.
